FirstSearch advisory board

“FirstSearch is here to stay, as a separate product from WorldCat Discovery. Not only do we want to keep FirstSearch around, but also improve it, to bring to all our FirstSearch users the best WorldCat search experience. For this reason we selected expert FirstSearch users to form an advisory board and help us determine the best product path going forward. ...”

FirstSearch advisory board

“... At the same time we are collecting additional data about market needs from librarians and library patrons, to inform our product decisions. Currently we do not have a timeline, but any changes coming to FirstSearch platform will be shared via our standard communication channels.”
FirstSearch advisory board

- 16 members, various roles & library types
  - TWO music librarians!
- First meeting January 2017
- Discussion closed; product development at its most fluid
- RB to consult music users when appropriate/with permission
