Executive Board and Membership
Music OCLC Users Group

Dear Music OCLC Users Group,

On behalf of the Music Library Association Board of Directors, let me extend my heartiest congratulations to all MOUG members on the 40th anniversary of MOUG's founding. As a longtime, if less active, MOUG member myself, I have been continually impressed with the contributions MOUG has made to the betterment of our profession through the years as well as the talent, dedication, and congeniality MOUG members have consistently demonstrated. I know that MLA is a better organization because of our close relationship with MOUG, and I fervently hope that MOUG may continue to thrive for many years to come!

Sincerest regards,

Mark McKnight
